What the students have been up to.

On Monday 1<sup>st</sup> September Students went on a photography excursion out to Glen Forest. Students were able to explore the park taking photos of all the animals while also having some “challenge” photo tasks.

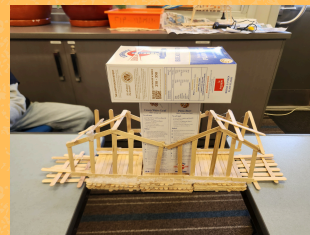

After students were treated to a BBQ lunch and were able to have a game of Putt Putt or complete the maze before heading back to school.

The bird aviary was a favourite among most of the students and staff.

As part of their technology lesson this term with Mrs Welfare, students were challenged to build a bridge using a max of 200 pop sticks and a hot glue gun. The bridge had to be at least 35cm long and it had to be able to hold 2kg of weight for 1 minute. All students did a great job, and all the bridges survived the challenge. Here are some of the designs.

## Dates to Remeber

- School Closure Day - 6<sup>th</sup> September
- Mr Kenny is back!!! - 8<sup>th</sup> September
- Students start transitioning back to mainstream lessons Monday week 8
- R U OK? Day - 11<sup>th</sup> September
